INTRODUCTION

About your Personal Reading

This reading was composed for you personally, Marilyn, and is based on your full name at birth, your date of birth, and the name you now use to introduce yourself. Please check your birth data on the title page to make sure the names and date of birth used are correct.

If you have two or more middle names or last names, you may find the names strung together. This is necessary to make Transit and Essence cycles function correctly. For example, the name John Patrick Henry Hancock would appear on the title page as John PatrickHenry Hancock.

Marilyn, your Personal Numerology Reading describes all aspects of your chart as they are understood in numerology, accurately and in-depth.

Each chapter starts with a short introduction telling you where this particular number is found and how it affects you. This is followed by the number itself. Often, you will find a double digit number followed by a single digit.

The meaning of your number is then explained in easy to read language. Marilyn, you don't need to know anything about numerology to be able to enjoy and benefit from this reading.

I hope you will enjoy your reading.

LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. Marilyn, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality

Chart!

Your Life Path is 16/7

Marilyn, you are the searcher and the seeker of the truth.

You have a clear and compelling sense of yourself as a spiritual being. As a result, your life path is devoted to investigations into the unknown, and finding the answers to the mysteries of life.

You are well-equipped to handle your task. You possess a fine mind; you are an analytical thinker, capable of great concentration and theoretical insight. You enjoy research, and putting the pieces of an intellectual puzzle together. Once you have enough pieces in place, you are capable of highly creative insight and practical solutions to problems.

You enjoy your solitude and prefer to work alone. Marilyn, you need time to contemplate your ideas without the intrusion of other people's thoughts. You are a lone wolf, a person who lives by his own ideas and methods. As a result, close associations are difficult for you to form and keep, especially marriage. You need your space and privacy, which, when violated, can cause you great frustration and irritation.

When your life is balanced, however, you are both charming and attractive. You can be the life of a party, and enjoy performing before an audience. You enjoy displaying your wit and knowledge, which makes you attractive to others, especially the opposite sex.

But you have distinct limits. While you are generous in social situations, sharing your attention and energy freely, you are keenly aware of the need to "come off stage" and return to the solitude of your lair. You associate peace with the unobtrusive privacy of your world. Therefore, intimacy is difficult for you, because you guard your inner world like a mother lion does her cubs.

All this privacy and aloneness can cause isolation and loneliness, however. You can be aware of emptiness in your life, a part of you that yearns for company and close companionship that may be unsatisfied.

If isolation is brought to the extreme, you can become cynical and suspicious. You can develop hidden, selfish motives, which people may sense and may cause them discomfort around you. You must guard against becoming too withdrawn and independent, thus shutting out the love of others and keeping you from experiencing the true joy of friendship and close companionship.

Marilyn, you must especially watch out for selfishness and egocentricity, thinking of yourself as the center of the universe, the only person who really matters. Social contact gives you perspective on yourself and on life, while too much isolation can make you too narrow and even shut off from the rest of the world.

Secretly, you may feel jealous of the easy relationships formed by others; you

may perceive others as less inhibited than you, or more free to express themselves. You may harshly criticize yourself for not being more gregarious, powerful, or capable of greater leadership.

Your challenge in life is to maintain your independence without feeling isolated or ineffectual. You must hold fast to your unique view on the world, while at the same time being open to others and the knowledge they have to offer.

With your abilities to learn, analyze, seek out answers to life's important questions, you have the potential for enormous growth and success in life. By the time you reach middle age, you will radiate refinement and wisdom.

Pythagoras loved the seven for its great spiritual potential.

Marilyn, your 16 Life Path also reflects the presence of a Karmic Debt. The 16 Karmic Debt means destruction of the old and birth of the new. The 16 is about the fall of the ego, and all that it has built for itself. It is a watershed, a cleansing. All that has been constructed, and all that serves to separate the person from the source of life is destroyed. Through the 16, reunion with the Great Spirit is accomplished.

This can be a painful process, because it usually comes after much ego inflation. This results in a struggle between the ego and the divine will. Life presents challenges to your grand plans, which can be resented and struggled against. It is a lost battle, and you will likely feel humbled in the face of the collapse that follows. This humility is the key to later success, however, because you will learn to follow the intimations of a higher reality. In the destruction of the old, a spiritual rebirth takes place with an entirely new awareness. This rebirth affects every area of your life. It is a life much the better for the fall.

Those with the 16 Karmic Debt must be careful of egotism. Very often, those with the 16 use their highly intuitive and refined intellect to look down upon others, and view the rest of the world as inferior. This causes acute alienation and loneliness. In addition, it invites retribution, for the egotist is humbled more harshly than any other. When the 16 is in one of the core numbers, this process of destruction and rebirth is a continual cycle that actually serves to bring you into higher consciousness and closer union with the source of life.

The 16 Karmic Debt can be a path of progress and great spiritual growth if it is looked at properly. One develops great faith by placing one's life in the hands of God. Through such faith, gratitude and peace are firmly established.

BIRTHDAY

The day you were born bears great significance in understanding who you are and where your talents lie. The day of birth indicates some special talent you

possess. It is a gift to you that will help you along your Life's Path. Your day of birth is one of your four core numbers -- the Life Path, Expression, and Heart's Desire being the other three. It is the least significant of the four core numbers, but perhaps the most finite, in that it reveals a specific ability you possess in a marked degree.

Your Birthday is 1

You are a leader, Marilyn. You have a great ambition and a strong drive for success. You are highly independent and dislike the restrictions of having to work with others. You easily become frustrated with the routine. Marilyn, you are a pioneer, a gambler, and an initiator. You are very creative; you possess a keen and rapid mind. You have excellent business instincts and with the appropriate training can run large organizations and big businesses.

You use information for a specific purpose. Knowledge is a practical tool in your hands; you dislike information or knowledge for its own sake.

Marilyn, you possess a broad vision and a great capacity for motivating others. Marilyn, you have great will power that will be tested, especially during the years 28 to 56. But your opportunity for accomplishment is enormous.

You are generally open to the ideas of others, but you can be extremely stubborn and hardheaded once you become attached to your plans.

Avoid laziness and procrastination. You are given to anger and frustration, and have a tendency to force the issue at times when things are not developing as rapidly as you would like.

Your determination, will power, and inventiveness are the keys to your success and will likely bring you much personal reward and financial success.

EXPRESSION

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has

influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

Your Expression is 17/8

Marilyn, you have the power and potential to achieve great things. It is both your challenge and your birthright to gain dominion over a small part of the earth. Whatever your enterprise, you strive to be the best and most successful in your field. You are highly competitive and will not rest until you are satisfied that you have bypassed the opposition. You enjoy challenges and rivalry.

You are a realist and a visionary planner. Money and authority are available to you if you are willing to discipline yourself -- generally an inborn talent -- and persevere in the face of the considerable obstacles in your path.

You are dynamic and have a talent for efficiency. You understand the larger picture, see the broader challenges, and know how to marshal your collective resources to address the problems. You delegate responsibility well; it is best for you to leave many of the details to others.

Marilyn, you are a great leader of people and an outstanding judge of character. You are demanding of those who work for you, often putting things in no uncertain terms: do it my way or don't do it at all!

At the same time, you don't hesitate to reward the faithful and hardworking employee. You are not a particularly tolerant leader; too much tolerance violates your sense of efficiency. You go directly after your goal with courage and tenacity.

You have a natural understanding of money, authority, and power. You are able to struggle consistently after your goal. Eventually power falls to you. Within you lies an innate balance between the higher and lower characteristics of man. Your challenge in life is to balance your higher ideals and your understanding of the hard realities of the earth.

Much effort will have to be put out and many ups and downs experienced before you reach the level of success you desire. Life will probably test you many times with obstacles that seem insurmountable. But in reality, these are merely opportunities for you to learn how to use power and authority in the face of difficulties, and to find out just how much power lies within you.

It is crucial for your success that you balance the material and the spiritual. You have chosen a path that requires balance between giving and taking, reward and punishment, action and reaction. Despite the obstacles on your path, you are a true survivor.

When focused exclusively on your desire for results and success, you can

become stubborn and intolerant; you can be driven by excessive ambition, causing you to be exacting and without perspective. Be careful of your alcohol consumption, a danger-zone for you. Marilyn, you can be a social drinker, mixing business with pleasure -- a dangerous cocktail.

An excellent manager, organizer and administrator you have talents in many areas of life. Entrepreneurs, executives, bankers, brokers, negotiators, gamblers, coaches, collectors, heads of institutions, builders, art dealers, manufacturers, promoters, military officers, police detectives, smugglers, engineers, pilots or sea captains.

You have been entrusted with special gifts, the use or abuse of which has an immediate and often physical effect upon you and those around you! Use these gifts for the good of mankind and accept your own good fortune with gratitude. This is your rewarding stage in your evolution. Yours is a life time of harvest

MINOR EXPRESSION

The Minor Expression number is based on the current (or short) name; the name you now use to introduce yourself including your last name.

The influence of the short name is minor in comparison to your full name. Interestingly, the short name often compensates in some way for numbers (and their related characteristics) that are missing or out of balance in the full name.

For instance, a number missing in the full name may show up prominently in the short name; or a number (or numbers) that appears in excess in the full name can be compensated for in the short name. If a name change takes place later in life through marriage or for professional reasons, it adds or subtracts certain qualities. It can also focus and intensify existing characteristics or talents that may be latent.

Your Minor Expression is 19/1

This number makes you better equipped for the daily struggle of life. This is a powerful number with good leadership abilities. It is independent, individualistic, original and innovative. It adds courage and a willingness to take risks. This number makes you more determined and goal oriented.

HEART'S DESIRE

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But

each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

Your Heart's Desire is 21/3

Marilyn, you love a good time. You are generally happy, friendly, and outgoing. You have a gift for gab. You are very witty, creative, and playful. You inspire and entertain people. You are considered by many a great companion.

Many outstanding comedians have this Heart's Desire. You have a good mental and emotional balance and there is little that gets you down.

You have a gift for self expression and are drawn to the verbal arts -- writing, acting, singing, and poetry. You may have a great talent in one of these areas. If your creativity is blocked or suppressed, you tend to daydream and fantasize. Your imagination needs a constructive outlet; otherwise, it may run away with you.

At the same time, you may have great difficulty expressing your deeper feelings and important personal thoughts. You prefer to stay on the surface, entertaining people with your wit.

If you fail to deal honestly with your inner nature, you may succumb to compulsive talking. Such behavior may be merely a way of siphoning off emotional energy that is building beneath your surface. Your deeply felt emotional life cannot be avoided or suppressed. But you possess the talent to channel these feelings into highly creative and artistic form. Art and self-expression are your outlets.

Marilyn, you need discipline to make full use of your abilities. Too often, you may scatter your energies in many directions, beginning projects that are never finished and never really succeeding in anything.

Your success depends on your ability to commit to your work and to see it through to completion. You have so much creativity and inspiring upward energy that you are in desperate need of an anchor. Hard work and discipline serve this purpose and bring out the best in you.

Because you are gifted with such a sparkling personality, you are tempted to stay on the surface and play with life. You are confident and love the attention others give you, but these characteristics can lead to vanity and self-absorption.

Marilyn, you have the potential to live a very full and successful life thanks to

your talent for artistic self expression. The key to your success is a balance between the creative forces and self-disclose.

MINOR HEART'S DESIRE

The Minor Heart's Desire number is derived from the vowels of your current name; the name you now use to introduce yourself. The current name is a refinement of the more complex qualities of your longer name (the full name at birth). It sharpens and bundles the energies that are reflected by your full name. It intensifies certain aspects of your being, and de-emphasizes others. For this reason, the short name often provides insight into what you truly want in life. It also often reveals the extent of your understanding of what you want from this life. It reveals both your strong desires, and the limits you place upon your potential.

Your feelings about your current name are different from your full name. It affects how you feel about yourself; it changes your identity slightly.

Your Minor Heart's Desire is 16/7

Your shortened name increases your desire to study, focus, and specialize in one particular field. It increases your need for privacy, contemplation, and meditation. You turn inward more and reflect on your inner nature. You are also more likely to ponder the deeper questions of life.

Marilyn, your Minor Heart's Desire enhances your intelligence and ability to deal with abstract information. You may find yourself expressing a kind of off-beat humor, as well. Sevens are highly refined and intuitive. They do not take things at face value, but seek the depths of understanding.

PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that

immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

Your Personality is 23/5

Marilyn, you are a stimulating person. You brighten social gatherings with your fresh and original ideas. Your conversation tends to be sprinkled with novelty and wit.

You have a quick tongue and charisma. You are probably an excellent salesman. There is a lot of nervous energy within you looking for an outlet.

You love your freedom and you see this life as an ongoing adventure. You are upbeat and optimistic. This is infectious for those you meet. As a result, you inspire others.

You have a strong and attractive body, with good muscle tone. Your movements are supple, graceful, and athletic.

Marilyn, your bane is that you love to indulge your senses with food and drink and can easily gain weight. You have an appetite for anything that stimulates the senses -- sex, food, alcohol, and drugs. Discipline is a necessity for you. The negative side of a 5 Personality Number can give rise to an addictive personality.

You like to dress fashionably and can get away with more colorful clothes. However, you should be aware of the value of quality and the power of modesty.

You are a little irresponsible and quick in satisfying your sensual urges. You are attractive and that, coupled with your innate ability to promote yourself, makes it easy for you to satisfy your desire for new and exciting relationships.

You have a kind of swashbuckling personality. People see you as the adventurer that you are. They expect the unexpected from you, and when they don't you often surprise them.

You have a quick and eclectic mind. You attract information from all directions, but you can be a bit superficial, skimming over the surface of a wide diversity of subjects. This may cause you to be a bit of a dilettante. You can get away with it much of the time, but for your own success and happiness, you should try to ground knowledge and deepen your understanding.

Marilyn, your versatility and adaptability make you capable of getting the most out of virtually every opportunity in life. You decide quickly on a course of action and your timing is usually good. You radiate with the potential for success, which attracts others who can further you along your path.

MATURITY

Your Maturity number indicates an underlying wish or desire that gradually

surfaces around age thirty to thirty-five. This underlying goal begins to emerge as you gain a better understanding of yourself. With self-knowledge comes a greater awareness of who you are, what your true goals in life are, and what direction you want to set for your life. This, in a nutshell, is the gift of maturity: You no longer waste time and energy on things that are not within your own special identity.

No matter what your age is at present, your life is being channeled in a specific direction, toward a very specific goal. That goal can be seen as a reward or the fulfillment of a promise that is implicit in your current efforts, often without your knowing it consciously. While the characteristics of this number are usually visible during childhood, we tend to lose sight of these aspects until later in life. But our lives are always being affected by this influence, nonetheless.

Your Maturity number begins to have a more profound impact on your life after the age of 35. The influence of the number increases steadily as you grow older.

Your Maturity is 15/6

As you mature, you will become increasingly concerned with the well-being of family, friends, and community. Marilyn, you will be drawn to the role as healer, counselor, and teacher. You have a growing ability to give comfort and sound advice to those in need.

You naturally assume the role of patriarch or matriarch of those in your care, no matter how old they are. You become more responsible and protective. You may well become involved in environmental protection, volunteer work or politics.

You are naturally idealistic and strive to realize those ideals as you grow in maturity and in personal resources.

Your careful and balanced approach to business and financial matters provides you with sound and secure success later in life. The 6 maturity number provides an outstanding financial foundation for the future.

In addition, the influence of the 6 promises an old age surrounded by loved ones.

For those who have few 6s in the chart, or none at all, this Maturity Number promises the close relationships that you have strived for most of your life.

L/E BRIDGE

The Bridge numbers in your chart are the numbers that indicate how you can make the relationship between the individual core numbers in your chart easier and more compatible. Bridge numbers have the potential to "close the gap" between the Life Path and Expression number, or the Heart's Desire and Personality number.

In this chapter we will explain what you can do to make your talents, strengths,

and specific abilities (Expression number) more easily available and fitting the needs of your main lesson(s), and expected direction of growth (Life Path).

Your Life Path / Expression Bridge number is 1

Marilyn, you should rely more on your own strengths and abilities. Be more decisive; don't beat around the bush and be straightforward when expressing your thoughts and feelings. You need to take charge more often. Get off the beaten path and find original ways of doing things. Do not try to be conventional, or try so hard to behave according to the expectations of others.

H/P BRIDGE

Several Bridge numbers can be found in your chart. The Bridge number between the Life Path number and the Expression number was described earlier in your reading. The following Bridge number relates to your Heart's Desire number and your Personality number. This Bridge number, the Heart's Desire - Personality bridge, explains how you can make your deeper self -- your needs and desires, your true nature -- more aligned with the part of your personality others tend to recognize when they meet you. With a little exaggeration, you could say that your Personality number is somewhat like your mask. It is the more superficial you; a protective shield and a camouflage of the deeper you. You can easily imagine how much more comfortable, and less self-conscious, the experience of life becomes when your deeper and more real you is closer and more fitting to the personality you reveal on a day to day basis.

Your Heart's Desire / Personality Bridge number is 2

Be more sensitive to the needs and expectations of others. Do not rock the boat too often, but keep the peace and try to make things run smoothly. You have to use your ability to influence others with gentle diplomacy, instead of confrontations. Be more cooperative.

KARMIC LESSONS

Numerology is based on the understanding that we enter life with certain strengths and weaknesses. Karmic lessons are areas that we are currently weak in and must be faced and worked on in this life. There can be more than one Karmic Lesson. These are indicated by the absence of certain numbers in your name.

The letters and numbers of your name point to talents and abilities that you possess. These characteristics can be compared to a workshop in which certain

tools are available to you. Missing numbers, those that are not represented in the letters in your name, imply tools that are unavailable, and must be learned and mastered during this lifetime.

You may well recognize your Karmic Lessons as weaknesses you have learned to overcome in the course of your life, however, the challenges implied in your Karmic Lessons will continue to come up occasionally for the rest of your life.

You have a Karmic Lesson 3

Marilyn, you are highly self-critical. Every time you find yourself at the center of attention, you manage to find something in your performance to be entirely inadequate or embarrassing. You have established an impossible standard of perfection as the only measure of your actions.

You need to lighten up on yourself. Realize that you have within you a critical faculty that must be contained and controlled. Otherwise, it can prevent you from doing what you truly enjoy in life.

Marilyn, you're too serious. Be more optimistic and cheerful, enjoy life as it was meant to be and share this joy with others.

Life will put you in situations that require imagination and communication. You will be tested in these areas. You will be forced to face the challenge.

Missing threes will often produce artists but their success requires much work and perseverance.

The effects of this Karmic Lesson are diminished if you have at least one 3 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

You have a Karmic Lesson 7

Marilyn, you need to deepen your knowledge and talents in a specific discipline. You lack the will or determination to perfect yourself or a specific talent you possess. You must learn to be your own critic, without self condemnation, in order to bring your abilities to their full development.

You will learn not to take things at face value. A superficial understanding of important matters will prevent you from experiencing the satisfaction of your true potential.

The effects of this Karmic Lesson are diminished if you have at least one 7 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

You have a Karmic Lesson 8

Marilyn, you can attract a considerable amount of money and even be a good business person, but you experience major ups and downs in your financial affairs, due largely to your lack of caution in handling your resources.

You are highly independent and do not want to be told how to do things. You have great problems with authority figures. This stems from a kind of know-it-all attitude and stubborn behavior that prevents you from knowing your limits.

You will have to work at knowing how to handle money. In all likelihood, you will attract enough of it, but it has a tendency to slip through your fingers. This Karmic Lesson forces you to learn your limitations, and the limitations of your resources.

Learn to be efficient.

The effects of this Karmic Lesson are diminished if you have at least one 8 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

HIDDEN PASSION

Your Hidden Passion reveals one or more special strengths and talents that you rely upon and are available to you. The Hidden Passion represents your specific field of expertise, or a concentrated talent.

Metaphorically, this talent can be seen as having a power all its own to shape your life. Its existence gives you a strong desire to develop and to express that particular ability. Having the talent demands that you express it, that you experience this part of you, and that you live according to its nature. In this way, the Hidden Passion shapes your personality, and guides your life.

Your Hidden Passion is 5

Marilyn, you love travel, change, and new challenges. You are highly adaptable and versatile. You have a talent for languages, and are generally good with words. Writing, promotion, and public relations work suit you perfectly.

You are sensual and a bit impulsive. You love to satisfy your senses, which can get you into trouble. Overindulgence in food, drink, sex, and drugs are common among people with too many 5s -- six or more.

You are resourceful and original. You have a good sense of humor and a quick tongue.

Your desire for freedom is extremely strong and it will take effort and discipline to stick with whatever it is you started. There is a tendency to give up a project or situation prematurely.

Marilyn, you may be interested in too many things, which can make it hard for you to apply yourself to one area successfully.

You are very unconventional.

Commitment in relationships and your work is fundamental to your happiness. You may have a tendency to wander from person to person, job to job, making depth of relationship or deep expertise difficult.

PLANES OF EXPRESSION

Each of us experiences life on four different levels: with our physical body; our mental faculty; our emotional makeup; and our intuition. Each of these areas has a specific means of perceiving information. The physical body is capable of touch, taste, pleasure, and pain. It provides us with a sense of the physical world. The mental body, like the emotional and intuitive natures, perceives the invisible worlds. Our minds deal with the world of thought. The heart, of course, is preoccupied exclusively with the world of emotion. Our feelings teach us many things about ourselves and about others. Finally, we have the capacity for direct contact with the higher realms by way of intuition. Intuitive insight comes in a flash. It is not rational -- that is the world of the mental plane -- but comes as if it were placed at the doorstep of our minds. Intuition, therefore, bypasses all effort.

These four faculties exist in all of us. But each of us depends more on one or two of them for the bulk of our knowledge. Some of us are possessed by our senses, while others live almost exclusively in our hearts, or minds.

Numerology indicates how we as individuals function on each plane.

The letters of the alphabet are divided in four categories: physical, mental, emotional and intuitive.

The proportion of each category in your name gives a good indication of which Planes of Expression are strongest in you, and which ones are weaker.

These Planes of Expression can greatly help you to understand your talents and abilities.

PLANE OF EXPRESSION PHYSICAL

Your Plane of Expression Physical is 9

Marilyn, you have a strong presence. You are charismatic and have a dramatic flair in your personality, which may direct you to the theater.

You are also drawn to politics, publishing, promotion, and public service -- any career that requires a certain amount of time before the public. You are attracted to doing things on a large scale.

You are a humanitarian. You are concerned about the well being of society. You have a great deal of compassion, tolerance and generosity.

You are highly idealistic and a bit of a dreamer. You are not particularly practical, however. Very often, you are not understood by others, and sometimes considered indifferent and aloof.

In some way, you want to please everyone and tend to give promises that may be impossible to keep.

If you develop your abilities, you have a significant chance to become famous.

PLANE OF EXPRESSION MENTAL

Your Plane of Expression Mental is 5

Marilyn, you have a quick and highly versatile mind. You can absorb great quantities of information quickly and retain the important points.

You are impatient with routine procedures, and will rebel if forced to conform to any existing pattern for very long. You like to be involved in several projects at the same time. You are dynamic and resourceful.

PLANE OF EXPRESSION EMOTIONAL

Your Plane of Expression Emotional is 21/3

Marilyn, you are very romantic. You are highly creative and imaginative.

You fantasize about your perfect "other": a White Knight on a horse, or a beautiful princess. Your response to painful emotional situations -- especially in childhood -- was to create a fantasy world to which you escaped. You may still be doing that as an adult, perhaps to your detriment. Reality lacks the romance and excitement of your fantasies.

Marilyn, you can be disorderly and disorganized, however. You can be rather moody.

You likely have much artistic talent, especially in writing, acting, or singing.

BALANCE

People experience different internal responses to life's challenges. Some withdraw from difficult situations to think them through; others withdraw from their emotions, to try and keep themselves from feeling anything. Some explode with emotions, but allow the explosion to pass quickly. Others linger with their feelings, holding on to them well past the time they should have let them go.

Very often, these are conditioned or emotional responses that emerge without thought or analysis. Maturity and self-development help us to learn new and more effective methods of handling our world and the problems we confront. Your

Balance number provides you with the guidance on how best to deal with difficult or threatening situations.

Your Balance is 1

Draw strength from yourself, Marilyn, but be more willing to share your troubles with friends and family. You can be a loner in the face of problems. This can isolate you during troubled times. Be open to the advice of others. This will widen your perspective on the problem and give you new information on which to base your approach.

Strength, creativity, and courage are the arms with which you will win the war, Marilyn.

RATIONAL THOUGHT

Your Rational Thought number reveals what can probably best be described as the way you think. Are you a practical, methodical thinker, or a dreamer? Do you frequently allow your imagination to color your perception? Are you unconventional and original in the face of a practical problem, or do you stick to proven methods?

This is the kind of information revealed through your Rational Thought number.

Your Rational Thought is 26/8

Marilyn, you are the visionary, and you focus on the larger picture. You ignore the details in favor of spectacular solutions. You love to blow someone's mind.

You understand the balance between the rational and the irrational, and you have no problem combining the two.

You have a vivid imagination and you are often surprised that others don't immediately grasp a concept that seems clear and logical to you.

You have little patience when others allow fear and caution to slow down a project.

CORNERSTONE

The first letter of your first name gives an additional indication to your character, particularly as to the manner in which you approach opportunities and obstacles. The first letter is called your Cornerstone.

Your Cornerstone is N

Marilyn, you are intuitive, creative and original. You are unconventional. You

are quite opinionated and change your mind only after much discussion. You like to keep track of your life, by writing in a diary for instance. You are sensual and may be involved in many love affairs during your life.

SUBCONSCIOUS SELF

Your Subconscious Self reveals how you react to demanding situations. It indicates your ability to get the most out of your talents and opportunities, especially when you face new or challenging circumstances. The Subconscious Self also reveals the areas of our character that need to be strengthened.

Your Subconscious Self is 6

You like to help others, sometimes to the extent that you do not pay enough attention to your own needs. Marilyn, you are primarily concerned with your home and your family. Everything else comes second. You radiate love and genuine concern for others. During times of distress you turn to your family and friends. You are responsible and willing to sacrifice for others.

CHALLENGES

Each of us is born with both strengths and weaknesses. Numerology looks at life as if it were an educational process that is meant to bring out and enhance our talents, and turn our weaknesses into strengths. This serves to complete our being.

The job of becoming whole is one in which we must face our weaknesses and consciously work to improve ourselves. There are four Challenges to be faced during our lives. For many of us, the same challenge is repeated, while others have four distinctly different lessons to learn.

The Challenges on your life's path provide specific lessons that you must attend to, and, in order to inspire and help you, life will place you in situations that require the specific characteristics of your Challenge numbers.

The four Challenges you are required to overcome during the course of this lifetime will influence you during different periods of your life, except for the Third or Main Challenge, which lasts from birth until death. The Challenges are fluid periods of your life, not confined to specific years so much as general periods. All of your Challenges are present at birth, like actors standing in the wings.

THE FIRST CHALLENGE

The duration of the First Challenge usually lasts from birth until approximately the age of 30 to 35.

Your First Challenge is 5

Marilyn, you are in danger of becoming a rolling stone. Your desire to experience and enjoy life can overwhelm every other priority you have. Your need for freedom dominates you. You want to try everything and go everywhere.

You must guard against overindulgence -- and even dependence upon -- alcohol, food, drugs, and sex.

You must work at establishing and maintaining long- lasting relationships. Be tolerant and understanding. This will enable you to have people in your life who are more than mere company.

Marilyn, you need to discipline your urge to change every situation that does not immediately suit you. Stick with projects, maintain your friendships, don't abandon people or situations the minute they become the slightest bit difficult.

If few fives are in the chart you have a fear of change and can not let go of people and situations. This holds you in the past, restricting your growth. Learn to take prudent risks and be more adventurous.

THE SECOND CHALLENGE

The Second Challenge usually lasts until the age of about 35 to 40.

Your Second Challenge is 8

Marilyn, you risk making money and power the main priority in your life. Your desire for financial wealth threatens to obscure your other human characteristics and spiritual well being.

This Challenge causes financial concerns to overwhelm all other needs, and influences everything you do. You risk the fate of Midas, turning everything into gold, yet isolating yourself from other parts of life.

For many with this challenge, there is a danger of becoming so obsessed with materialism that they may be tempted to ruthless and unscrupulous business practices, possibly crossing the borders of the law and causing themselves and others much misery.

You are facing a very real spiritual test in which you must realize that "Man does not live by bread alone." If you overcome this hurdle, you will achieve real spiritual and material balance, and can make yourself a powerful river, bringing an inexhaustible supply of nourishment to all, rather than a lake, whose nature is limited and can easily grow stagnant and can no longer support life.

THIRD CHALLENGE

This Challenge carries much weight and will be felt throughout your life. For that reason, it is also called the Main Challenge.

As you master this challenge, your life will come more and more under your own control. You will incorporate the positive aspects of the challenge into your character. This is its purpose in the first place. Therefore, there is implicit in the challenge a chance for great reward.

In short, this may be the secret to your success.

Your Third Challenge is 3

Marilyn, you are your own worst critic. You suppress your individuality and creativity. Each time you want to make an impression, you doubt yourself beforehand, and criticize yourself ruthlessly afterward. Your criticism of yourself is far more severe than anyone else's.

As a result, you tend to play it safe by staying on the surface, indulging in superficialities. You rarely express what goes on deep inside of you; instead, you cover up your feelings with humor or perfunctory remarks.

You often feel alone and lonely.

Marilyn, your fear of social interaction causes you to strain conversation by making too many jokes and forced joviality.

It may help you to find a creative outlet for your imagination, possibly through writing, painting, singing or dance.

At the bottom of the challenge is an effort to bring out your true self. You will learn to truly value your own creative talents above anyone else's judgments. This must be viewed as a process of individuation, in which you become a whole human being, independent and free of the need to conform to others.

THE FOURTH CHALLENGE

The Fourth Challenge is most strongly felt during the latter part of our lives, beginning at the age of approximately 45.

Your Fourth Challenge is 3

(This Challenge is the same as the Third, as described above.)

PINNACLES

The Pinnacles are four long-term cycles, or periods, on our Life Path. Each Pinnacle represents a particular lesson we are working on. The first Pinnacle usually lasts from birth to between the ages of 30 and 35 (your specific Pinnacle periods are provided below). The middle two Pinnacles each last nine years.

The last Pinnacle will stay with you for the remainder of your life.

The Pinnacles are very important. The transition from one Pinnacle to the next is always strongly felt. Your Pinnacles reveal the general conditions and events you will experience during the period. The Pinnacle describes the atmosphere, or the essential challenge you will be faced with.

You can prepare yourself for the times ahead by knowing your approaching Pinnacle number.

The transition from one Pinnacle to the next is usually prepared for approximately 2 years in advance. The latter part of that two year period is particularly strong. Marilyn, you will likely make some life-altering decisions -- marriage, job or career change, or any number of major changes in your character.

Perhaps the most strongly felt change -- internally as well as externally -- is the transition from the first to the second Pinnacle. This change usually takes place in your late 20s or early 30s -- the exact date depends on your Life Path number and is provided below. You begin to feel the impact of this coming change approximately two years prior. This is usually a difficult transition, but once crossed usually provides a clear sense of direction in one's life. It also gives you a much firmer sense of your identity. It is a gateway to maturity.

Your First Pinnacle (from birth until age 29) is 7

This is a period of inner development and soul searching. Marilyn, you will deal with the deeply important questions of personal existence and the meaning of life. You will need time to be alone to contemplate your inner world. This is a time of spiritual growth. You will experience a heightened sense of faith. The power of the universe will be the force that carries you along.

You have an enhanced appreciation of poetry and nature. Walks in nature provide great therapeutic value and spiritual nourishment.

This is a time of specialization. You will pursue some course of development with fervor and focus. Your ability to concentrate will be greatly increased. Marilyn, your desire to study in all forms -- reading, self reflection, and contemplation -- will reach an all-time high. Your intuition is much more sensitive, making your path a little easier and more direct, since you know intuitively the appropriate next step.

Under this Pinnacle, you will become an expert in one particular field. Your capacity to penetrate the depths of a subject area is enormous. You will look below the surface in virtually everything you encounter. It is very possible that you will find yourself in a teaching role.

You must consciously work on your closer relationships, especially with your spouse and children. You must explain that your desire to turn inward is not an escape or an avoidance of those you love, but a deep need for knowledge.

During this 7 Pinnacle, spiritual growth, increased knowledge, and wisdom are the big rewards. The 7 Pinnacle provides the basis for contentment in older age, because you now begin to understand life more deeply.

Marilyn, your challenge is to avoid becoming critical or cynical of others. You can become so withdrawn from society that you look down on others. You may forget that you, too, are part of the imperfect human race. Sarcasm is the lowest form of communication, and a trap you could fall victim to.

Your desire to attain some high degree of perfection is sincere. But that pursuit can make you miserable if you lose perspective and fail to realize the relativity of human existence. Perfection is a Utopian goal, but an unrealistic ambition. It can cause you to be dissatisfied with yourself and others.

The 7 provides the possibility of true refinement, insight, and a high degree of wisdom. This deep understanding is the basis for self-love and true happiness.

Your Second Pinnacle (from age 30 until age 38) is 1

Marilyn, this is a period requiring much independence, courage, resiliency, and initiative. You must bounce back after many difficult experiences. The challenge of this Pinnacle is to gain will power.

There is not a lot of support from others or from family. You must draw from your own strength. You will have to guard against self pity or surrender.

Keep focused on your dreams. This Pinnacle will require an iron will to keep hold of your goals, and also the flexibility to maneuver around difficulties, and bend with the winds of adversity.

This is a period of rapid self-improvement and growth. You will be forced to use every talent and capability you possess. You will need to be resourceful.

Marilyn, you must continually put out effort, but with it comes great reward. Without it, there is no accomplishment nor satisfaction, only a negative attitude toward life.

Be careful not to become too self centered, headstrong or self important. Be strong but flexible. Be open to the counsel of others, but make up your own mind.

The benefit of this Pinnacle number is a strong sense of your individuality and strength. You will know what you are made of. There are many hidden gifts in this period, perhaps the greatest of which is faith.

Your Pinnacle provides you with the characteristics of leadership, boldness, and daring. You will have many unconventional ideas and the skill and courage to make them a reality. Your abilities to manage and organize people and institutions are greatly enhanced. You have vision and confidence in the worth of your dreams.

These characteristics provide great opportunity for success and major accomplishments.

Your Third Pinnacle (from age 39 until age 47) is 8

Marilyn, under the influences of this Pinnacle, you will have greatly enhanced talent for dealing successfully with business and finances. This is a time of material growth, a time of expansion and reward. It is the cycle of harvest.

The 8 Pinnacle also increases your personal power. You have sound judgment and vision. In fact, this is the basis of your financial success.

People sense your power and effectiveness. They defer to you much more easily, and look to you for answers. This makes it easier for you to use power without having to be a bully or force your way through situations. They perceive your ability and want to join you in your vision. Others have faith in you.

You will be able to organize large enterprises. Problems do not threaten you so much as provide a challenge. You yourself sense your enhanced personal powers and feel a growing sense of stability and centeredness. You will be capable of influencing matter in an almost magical way. As a result, you are extremely goal oriented, moving toward the realization of your dreams with confidence and clarity.

Marilyn, your challenge during this period is to maintain a hold on your human and spiritual values. You must remain balanced between heaven and earth. There will be enormous temptations to make money and status your only priorities, excluding the more human or immaterial matters entirely. This will undoubtedly lead to losses. You are being tested and instructed in the real value of money -- it's natural place in life. If money is placed on a high altar, overshadowing all other facets of life, you will become its slave.

If you are balanced in your approach to money, and have proper perspective, this can be a truly rewarding period, both materially and spiritually. That is the true promise of the 8.

The number 8 symbolizes the balance between the finite and infinite, matter and spirit. It offers a great opportunity to grow.

Your Fourth Pinnacle (from age 48) is 6

Under this Pinnacle you will be very involved with family, friends, and your community. Marilyn, you will face an increase in responsibilities and duties, but you have a greatly enhanced sense of balance and perspective that allows you to handle emotional issues well.

Your family demands much of your attention. Matters involving spouse and children require much security, love, and sacrifice. You are the centerpiece of your family, the one people come to for solace and understanding. You may feel an increased burden, as you carry the cares of many. You will experience a deep sense of being needed.

This Pinnacle is full of love, closeness, and warmth, but you must rise to the

challenges that close relationships bring. Marilyn, you must settle and bring harmony to personal conflicts between others. You are often the only one with perspective in a conflict. It is as if you are the keeper of justice, bringing understanding and compromise to situations that are polarized.

Under the influences of this Pinnacle -- especially at its outset -- people are often married or start families. Children are born, in-laws come into your life. You are the nucleus of a little world.

You must maintain your dignity. This is a period that makes it easier to sacrifice, but you can overdo it, becoming a doormat for others to step on simply to maintain a degree of peace. Know your limits and maintain healthy relationships.

This is a fine period for growth in business and financial matters. You attract people with resources who can help to further your personal goals. Moreover, you are balanced in your approach to business affairs. This can bring many rewards.

Marilyn, your heightened sense of harmony and your genuine compassion makes you an excellent counselor and healer, especially if you already have native talent in any of these areas.

Personal health matters can also surface, causing you to reflect on diet, exercise, and other health habits.

Your desire to help others is also increased. But this can lead you to poke yourself into situations where you do not belong, or delve too deeply into other people's personal affairs. Be careful not to meddle or interfere.

The 6 Pinnacle is a time of progress and growth as a full human being. You are capable of developing yourself in many different directions -- as a loving mate and parent; a sound businessperson; and as a pillar of your community. The time requires the balance you possess, since you can easily stretch yourself in too many directions and ultimately feel burned out by the demands in your milieu.

CYCLES

Like most stories, there are three great divisions of our lives: the First, or opening period, finds us groping to find our true nature; at the same time, we are trying to cope with the powerful forces that are present in our environment, our parents and the socio-economic conditions of our family, for example. The Second Cycle, or middle period of our lives, brings about the slow emergence of our individual and creative talents. The initial part of this cycle -- the early and mid 30s -- represents a struggle to find our place in the world, while the late 30s, 40s, and early 50s, sees us with a greater degree of self-mastery and influence over the environment. The Third, or final Cycle, can represent a flowering of our inner being, such that our true nature has finally come to fruition. It is during this period

that one has the greatest degree of self-expression and power.

Your First Cycle (from birth until age 29) is 6

A time of family, responsibility, and duty. The issues of commitment, marriage, and family all come into sharp focus. When the commitments are made and one responds lovingly and with acceptance, this is a period of much harmony and support. You are greatly needed by those around you. You will be loved and appreciated. This is the best cycle for marriage. In the same way, partnerships go well and much progress is made from joint activities. Conversely, if commitments are not deeply made or are broken, separation and divorce often occur. Any artistic talent you possess will surface and new opportunities for self-expression will present themselves. Marilyn, you are also under very supportive influences for starting a business. This is a time of progress through flexibility, cooperation, and compromise.

Your Second Cycle (from age 30 until age 56) is 1

This is a period of much intensity. It requires fortitude, courage, and flexibility. Marilyn, you will be forced to use every one of your talents in order to achieve your own personal individuality and independence. This is a period of integration and a focusing on your life's dream. Your grip on your direction will be tested, but somehow the resources are available to overcome any obstacle and emerge from this time all the stronger. It is a time requiring independence, resilience, and strength, but these characteristics become integral part of your personality. This cycle marks a time of progress.

Your Third and last Cycle (from age 57) is 9

This is a period in which a broad view of humanity and a sincere concern for the well being of others will be developed. Tolerance, acceptance, and universal love are the goals of this 9 Cycle, and while such perfection will not be fully achieved, the person under this influence will grow toward these ideals. Humanitarian principles and social service are the keys to personal happiness. All work directed toward the improvement of the general welfare will bring great personal rewards, as well. Hard work directed toward higher ideals is rewarded. Creative talent is also enhanced, especially when it is joined with some larger social purpose or message. There is an element of sacrifice or letting go, as one is asked to forgive past grievances and let go of negative attachments. The person is being asked to live according to a higher ethical standard, with much spiritual and personal enrichment as his reward.

TRANSITS

The Transits are the individual letters of your name that combine to form the Essence, which is the number that reveals a great deal about your year ahead. Your name can be seen as a piece of music that vibrates in time. Each note, or letter, has a specific duration and influence over the course of your life. Marilyn, your life, therefore, can be seen as a musical score, with the individual letters making specific contributions at given points, just as notes in a musical piece are played at specific points to give a piece of music its rhythm, character, and nuance.

The Transits appear as part of your Progressive Chart and will tell you much about specific influences taking place in your life during given years.

There is much responsibility placed on your shoulders, with sensitive emotional issues involved. You will find yourself more interested in religious and physical studies. Your leadership abilities are enhanced during this time.

Your Spiritual Transit for age 91 is O

Your Spiritual Transit for age 92 is O

(The Spritual Transit for age 92 is the same as that for age 90, as described above.)

ESSENCE

The Essence Number and the Personal Year Number are the two essential

indicators of the forces that will influence your life during the course of any year. While the Personal Year runs from January to January, the Essence is most strongly felt from birthday to birthday. For example, if your essence number is 8 for the year 1988, you would begin to feel the influence of that 8 most powerfully after your 1988 birthday. The influence would begin to wane during 1989 and would finally end at your birthday of 1989.

The Essence number indicates the lessons you will be dealing with during that year. It says a great deal about how you will perceive your environment. It also gives clear advice on how you can be most successful during the year, that is, which types of behavior will be supported by your milieu, and which ones will be less effective.

Your Essence at the age of 90 is 16/7

There are edifices of thoughts and behavior patterns that keep us from experiencing our true natures and the deeper happiness within. By some great benevolence of the universe, these edifices collapse from time to time. Marilyn, you are now in one of those benevolent periods.

This is the proverbial dark night of the soul. You will find many things not working out as you had planned. There can be many unexpected, turbulent, and shocking events. There are debts to be paid that may seem unduly harsh or imbalanced. The time is confusing and you may feel that you have lost direction entirely.

Your challenge is to surrender to the larger forces that now seem so threatening. Let the transformative powers redirect you. This is the surest path out of the confusion that now dominates your life.

The 16 Essence is very like a storm that seems, on the surface, to be knocking down buildings, but is in fact rearranging your life so that you emerge healthier and happier than before.

The 16 Essence usually does not last long. You will find yourself on much sounder footing and in much better circumstances once it passes. You are experiencing the night that will surely bring the dawn. And with it comes a new life.

Part of the lesson you are learning is gratitude. Take time to truly examine everything that has been given to you. You are overlooking the love in your life, the talents you have been given, the good things that have been added to your life without your acknowledgment. There is something of a blind spot in you that has brought about the current period of confusion. Now is a time to self-reflect and to truly take stock of your life. Gratitude is one of the keys to a healthy transformation. Offer thanks to the Universe for all that has been provided you.

This is an act of true magnanimity because you likely feel that you have been treated unjustly by the greater forces. But such thinking is a delusion that has

blinded you to your true nature and destiny. Open your heart. Accept that your vision is not of the infinite, but of the relative world. Accept that the infinite is guiding you lovingly and toward higher planes of consciousness. Surrender to the greater forces. This will cause you to open up to the higher planes and allow them to guide.

Now is a time to develop faith. The power of faith can help you feel secure in the midst of change. Faith allows you to feel that you are heading in a good direction, even when you do not know what that direction is. Faith is the key to your happiness now.

Meditate, pray, do regular spiritual practices. Take care of your health with sound diet and exercise programs. Try to eliminate all unhealthy attitudes and practices. Live a more enlightened inner life. Trust.

Your Essence at the age of 91 is 20/2

Marilyn, you must learn to cooperate with others in order to accomplish some greater good. This is not a time to lead, but to follow. You must be content to draw your guidance from the environment and those in positions of greater power. You must maintain your own center, but avoid arrogance, rigidity, and stubbornness. The more you insist on your own priorities, the more resistance will you meet.

This is a period of partnerships. Your success depends on your ability to work with others.

Marilyn, you will be extremely sensitive and intuitive. Your powers of understanding will be at an all-time high. These abilities will give you the insight you need to perceive subtle changes in people and situations. You will therefore be better able to adapt to changing circumstances.

Your intuition makes it possible to accomplish great tasks, even though you may not be in a leadership role. The reason: you instinctively know how to react to change, and to gently advise people to go in the right directions.

Marilyn, your role as an advisor or confidant is the key to your success during this period. You are learning the lesson of interdependence. You will also come to know how valuable you can be in a more passive role. It is a period to serve, to be the helper, the assistant. Your ability and willingness to work with others will be tested and rewarded.

It is essential that you listen. Be shrewd in your evaluations of others and of situations, but do not enforce your judgments directly on people.

Your sensitivity will make it necessary for you to seek out harmonious and peaceful environments. Be careful of the health of your nervous system. You can become anxious more easily during this period. Therefore, seek out people you trust; share your deeper feelings; allow yourself to be supported by friends and loved ones. Keep your spirits high and avoid depression.

Music plays an important role during this period. Any musical talent you possess will be enhanced. You even possess a certain physical grace that can emerge in dancing, athletics, or simply walking down the street.

In your passive, centered way, you will be charismatic and attractive to others. People will sense your fine intuition and sensitivity and seek you out for private talks. Be loyal to friends and partners.

Remain strong inwardly and flexible without. In this way you will avoid the obvious difficulties and remain on your path to success.

This is a period of accomplishment through gentle persuasion.

Your Essence at the age of 92 is 20/2

(The Essence for age 92 is the same as that for age 91, as described above.)

PERSONAL YEARS

Your Personal Year number is a strong indication of the trends and circumstances you will experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and therefore run concurrent with the calendar year. Transit and Essence cycles are based on the letters of your name and run from birth date to birth date.

There are nine personal year numbers, which makes up a complete Epicycle. Each Epicycle reveals the progression or evolution of a specific part of your growth. Marilyn, your progress along this Epicycle can be seen very logically, from the infancy or beginning of a growth period in your life, to the conclusion or culmination of that process. The 1 personal year indicates your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle. Below is a description of your current Personal Year. It indicates where you are on the 9 year Epicycle.

The Personal Years form the building steps that mark your progress through life.

Your Personal Year for 2016 is 7

Marilyn, you will experience a strong tendency to spend more time alone, to delve inside and find some answers and to reach a better understanding of yourself. This is not a year for social activities nor is it a year to try and reach goals on a material level. You will find that the necessities of daily life seem to be taken care of by themselves. There is no need to be overly concerned regarding your material needs. Without slacking on your daily duties and responsibilities, you can afford to give more attention to yourself. This is a year for inner growth.

It is your spiritual and mental presence that requires attention. Improve the quality of your life, read, contemplate and gain insight in yourself. You are important now. Rest and attend to your health. It is during this year that you strengthen the foundation of your life, after all your success in all matters rests upon the strength of your inner self. There will be many strange and unusual events inspiring you to take a closer look at life and an opportunity is there to experience the joy and beauty of life without any artificial or exterior involvement but purely the growing awareness of yourself. Too much concern and desire for material rewards, Marilyn, will turn this period of your life into a very bad experience indeed, while a "let go and let god " attitude will make this such a fruitful and pleasant year that you may find yourself wondering what you did to deserve this.

Your Personal Year for 2017 is 8

After last year's constant involvement with yourself and very possible occasional doubts about the state of your business or career you will find this year to be a relief, Marilyn. Things finally work out. Long postponed checks and promotions come through. You see the light at the end of your financial tunnel and an inner strength and confidence is breaking through. This is your year of harvest and, depending on the effort you put out in the past seven years, your reward will be equally large. There is a beauty in these cycles we can recognize and understand and in doing so we find ourselves "in the flow" and there is no more need to try and struggle upstream. So this year you will have an opportunity to involve yourself fully in work and material growth and bring home the rewards, at the same time a certain detachment is also necessary, for you and for the experience you have because it is not the reward that brings you happiness but your experience of life, which is why before the rewarding eight year you have had such opportunity for growth during the soul-searching of a seven year. Give in to your ambitions, you will find yourself more clear and focused and able to pursue and reach your goals. Marilyn, your power is visible and strong, mental creativity is high, vision and intuition will guide you, and at the same time you are more efficient and focused. There can be loss, serious loss, bankruptcy and failure, because always the rewards are directly proportionate to your effort and motivation, however you know the effort you put out and you know your motivations, so there must be no room for fear and doubt, only for success and winning and this year will undoubtedly turn out to be a very satisfying year.

Your Personal Year for 2018 is 9

This is your year to finish up all unfinished business, Marilyn, to clean house and make room for new things. On a material level this is a good time to get rid of unnecessary weight, to give away or sell what you do not need anymore and to

pay off old debts. On a spiritual level you will experience a different mode altogether. Your attention should turn to others and their needs, find ways to be of help and give time and energy to worthwhile causes. You must lighten your burden of questions and doubts and the best way to do so is by directing your attention to another direction, away from yourself and you will find yourself becoming lighter and more in touch with your self. This is a time of completion, problems can be solved and over with, strained relationships relax or disappear, the sources of stress in work or business can be better understood and dealt with. Be social and communicative, enjoy music and other arts. Marilyn, your creativity is higher than usual. There can be some difficulties this year due to your desire to face obstacles and overcome them, decisions have to be taken and courage and strength may be severely tested several times, this is not going to be an easy year all the time but you will feel relieved and on the brink of a positive breakthrough by the end of this year. This is the end of a nine year epicyle and will you will feel many times the excitement of a new and promising era when optimism is your friend but you will also experience the fear of letting go, however the more you let go the more room there is to be filled during the next epicyle.

PERSONAL MONTHS

Your Personal Month for May 2016 is 3

Marilyn, May is a 3 Personal Month in a 7 Personal Year and is an excellent time for leisure and play. Take time off and, if possible, go on vacation. Get in touch with the inner you, daydream, and share those feelings and thoughts with someone you trust. Your need for others heightens.

You sense changes on the horizon, but feel you are in limbo, waiting for events to provide a new direction. Seek the advice, perspective, and insight of others.

You continue to make a good impression on those you work with, but not because of enhanced sensitivity and awareness, as was the case in April, but because of your ability to express yourself well and motivate others to see things your way. Be careful not to become manipulative.

This is a "lucky" month. You're in the right place at the right time and coincidences will occur in your favor. You are more attractive to the opposite sex than usual and may receive some interesting proposals.

Your Personal Month for June 2016 is 4

Marilyn, June is a 4 Personal Month in a 7 Personal Year. It may prove to be the busiest month of the year. Work is demanding. Responsibilities and duties

could become frustrating. You've got to stick to the routine and, consequently, you may become bored with your environment.

Your energy level is high and you want things to change. Reorganize your personal life. Manage your time more efficiently. Work on the house or garden so that you can enjoy improvements in your environment as well as your work life.

You are more serious this month than you were last month. Don't take chances in financial affairs. It is better to save than to spend. Open your heart to your loved ones. They may sense your preoccupation with work and details, and need you to reach out to them.

Your Personal Month for July 2016 is 5

Marilyn, July is a 5 Personal Month in a 7 Personal Year. It is a time of unexpected events. Be flexible, especially in thought.

Let old concepts and dogma go. This is a time of incredible growth, mentally as well as spiritually, but you have to allow such growth to occur.

New information comes to you. You have the opportunity to change old ideas about life or people. Your circumstances could even change. Travel is also possible and favorable. A sudden phone call could put you on the plane the next day. Letters or phone calls could come from people you have not heard from in a long time.

Meanwhile, you feel scattered and restless and want to avoid the nitty gritty details of life. Go with the flow; answer demands as they come up and do not try to control the circumstances too much.

Marilyn, you are mentally sharp and quick to see the meaning of new information. You are also creative and imaginative. This month releases your wilder side, especially when it comes to your social life and love relationship. Within the context of this year's serious and spiritual overtones, July is by far the most dynamic month. Be careful of too much self-indulgence and irresponsibility. Moderation, again, is the key.

Your Personal Month for August 2016 is 6

Marilyn, August is a 6 Personal Month in a 7 Personal Year and with it comes stability and quiet. There is recognition and respect at work, but also the possibility that someone else takes credit for your effort. Apply yourself diligently. Responsibility and duty rule this month. There is financial gain, probably from a source other than work.

Your family and friends need your love and attention; give of it freely. Especially give your time and advice to a younger person. There is a lot of love that surrounds you this month, but you may not be aware of it. Your attention is focused inward and you may want more time alone than you actually have.

Maintain balance. The people close to you need attention and you should be there for them.

Your spouse or romantic partner requires much of you this month, too, and your relationship will deepen as a result.

Your Personal Month for September 2016 is 7

Marilyn, September is a 7 Personal Month in a 7 Personal Year. Now, more than ever, spiritual growth and self-discovery are highlighted. If you have not been fully aware of this inner search during part of this year, there is no escaping it this month. Dreams will be intense and you won't be able to shake them when you wake up. You will find yourself staring into space more often than usual. You are withdrawing and may experience some loneliness as a result.

You are questioning a lot of things that you had been taking for granted. You think about your life and the direction it is taking. The mysteries of life and death (without being morbid) occupy your mind.

You are mentally sharp and flexible, and you easily keep up with any demands that come your way. Marilyn, your career, finances, and other mundane aspects of your life occupy a relatively smaller place in your life, this month. Without avoiding your duties, you can let these areas take care of themselves until early next month.

Your friends and family are less demanding.

Romantic ties can be surprisingly strong, however. You have a real desire to share your innermost feelings with the person you are attracted to, revealing a side of yourself that has not been available in such intimacy before.

Your Personal Month for October 2016 is 8

Marilyn, October is an 8 Personal Month in a 7 Personal Year. It brings reward and recognition. Often, this is a very good month for all matters related to career, business, and finances. You reap the rewards of what you sowed in the past seven years. (Next year offers even greater rewards than this month.) October gives you the opportunity to peak into the near future because it represents a small scale sample of what next year will bring. The eight cycle is a rewarding time, but there are two important sides to the way it is delivered.

On one hand, it is directly proportionate to the effort you have put out in the past. On the other, you receive exactly what you need to continue on your path. For that reason, you would do well keeping a close eye on your finances, especially to protect yourself from any shortfalls next year. Financial gain is much more common this month (and in the 8 Personal Year). In any case, this is a time to be aggressive in all matters relating to career and finances.

Your Personal Month for November 2016 is 9

Marilyn, November is a 9 Personal Month in a 7 Personal Year. Your heightened inner awareness and the long inner growth-process you've been working on this year now reach a kind of completion this month in the form of realizations and insights that in turn improve your self-confidence and faith in the future.

At the same time, this is a period marked by emotional ups and downs as you are releasing old concepts, responsibilities, and relationships that you've outgrown.

You are doing some inner-house cleaning which reflects in work as well as personal life.

Your career may seem somewhat stagnant. You are looking for new opportunities and challenges, but not much will be forthcoming until late this month or early next month. Marilyn, you should take it slow; perhaps even take some time off for rest.

There will be an opportunity for you to become involved with a good cause, which will prove both personally and professionally rewarding. In the long run, it may even help you financially.

As for money matters, this is not a good time to take chances or spend money on major purchases.

Some of your relationships with friends and relatives are being put to the test. You have grown and changed over the past year and may be a little out of touch with some of the people with whom you were close. In addition, you have become more discriminating about whom you wish to spend time with.

Sometimes, the 9 Personal Month brings a personal loss. You may have to let go of an old relationship or even someone you regard as a teacher. Romance is also in a make or break period. If the relationship has real substance, there will be some emotional turmoil but the bond will only become stronger.

If the relationship isn't strong, this will become very clear and cause a permanent break.

Your Personal Month for December 2016 is 1

Marilyn, December is a 1 Personal Month in a 7 Personal Year. It brings renewed energy and enthusiasm. Your career makes a big step forward. There is financial reward, promotion, and possibly a transfer that brings a welcome change. You will be introduced to someone or several people who are important for your career and can positively influence your future.

While this month brings you and your relatives and friends closer together, the feelings are also intensified and your relationship with some of these people is in

a very fragile state. There may be some outbursts of long suppressed feelings that have to be dealt with.

Relationships of all kinds -- family, friends, and co-workers -- tend to be somewhat unstable during this time.

If you are single, romance may become an important ingredient of this month's experience. Marilyn, you may meet someone new and this person will be an intellectual and spiritual challenge.

The attraction will be based less on physical appearance than on curiosity: there are profound differences between you in point of view and lifestyle, which is fascinating on some level. You learn from this person and, like looking into a mirror, you discover a lot about yourself and the changes that have taken place on a very deep level during the course of this year.

Your Personal Month for January 2017 is 9

Marilyn, January is a 9 Personal Month in an 8 Personal Year. It marks a period of completion. You have gone through a spiritual growth cycle that resulted in a better understanding of yourself. You have gained much insight.

Now you are entering a time when spiritual understanding must merge with the practical and material side of life. You are moving from a 7 Personal Year, which was dominated by spiritual growth, into an 8 Personal Year, which is focused on the material aspects of your life. This may throw you a little off balance. The year begins with some confusion and self-doubt.

Often, there is financial stress. You need to apply yourself to your career and other worldly matters. This is the year of harvesting your rewards, but before that happens, you need to prepare yourself, to regain your footing.

Now you must become more aggressive and ambitious. January requires effort. It also requires a letting go of outdated and outgrown concepts, habits, and relationships.

For that reason, January tends to be emotional and somewhat insecure. However, you will soon pick up momentum, and your personal power increases.

Romantic and love-relationships experience some stresses. Marilyn, you are somewhat distant and aloof, which may make your partner feel left out. Spend some time reassuring your mate.

Your Personal Month for February 2017 is 1

Marilyn, February is a 1 Personal Month in an 8 Personal Year. Now things begin to speed up. Unlike last month, you now feel full of energy and enthusiasm. In fact, you're impatient to start new projects, and must guard against impulsive decisions.

Your career and financial affairs are the areas of your life that require the most attention. There are great opportunities as well as potential dangers. This is the year marked by opposites: times when everything seems to go your way, and other times when it seems the rug has been pulled out from under you. February gives the first indication of what this year will bring but, more important, it challenges you to put your best foot forward, to show what you are made of.

The month may begin with a challenge. You may have to confront one of your biggest fears, which is followed by an opportunity to put that fear to rest once and for all. Courage, determination, and inner strength are the needed ingredients that will make this a successful month and a profitable year. The year can be characterized by the old carrot-and-stick metaphor: February reveals the carrot -- the prize you can obtain -- but it also shows the pitfalls and dangers; in short, the stick.

Relationships are favorable in all areas of your life. Co-workers show support, friends tell you how much they admire you, relatives make it clear they have confidence in you, and your lover makes you feel you deserve the best.

Your Personal Month for March 2017 is 2

Marilyn, March is a 2 Personal Month in an 8 Personal Year. The month demonstrates how you can sometimes make more progress and be more successful by staying in the background than by forcing the issue. March gives you ample opportunity to influence others, to make them listen to your ideas, even to inspire them to do things your way. You are tactful and sensitive, yet also driven and motivated. You find better ways to handle challenging situations.

Later this month, you gain respect and recognition and will find yourself taking on a leadership role. Your authority is impressive because you balance force and strength with diplomacy and tact.

Romance is favorable and, if you are single, you may meet someone through work or a business meeting who will touch your heart.

Your Personal Month for April 2017 is 3

Marilyn, April is a 3 Personal Month in an 8 Personal Year. The events inspire creativity and optimism, as well as a need for flexibility and adaptability. Sometimes, the early part of an 8 Personal Year brings financial challenges and problems. If this is the case, April is the most challenging time of the year.

It is a testing time that forces you to confront your lifestyle and your priorities. With the right adjustments, you can put yourself on sounder financial ground.

The month also encourages a certain detachment from trying to control financial matters too much. Once you stop controlling matters too much, your spiritual understanding of life really pays off in a practical and applicable way.

Last year's opportunities to contemplate and search for insight -- which may have seemed unproductive at times -- now prove to be your best defense on the battle ground of material progress. You are being forced to achieve a balance between the spiritual and the material, especially this month.

In any case, April will reveal to you how capable you are of doing that. Be generous but don't waste money. Focus on getting things done, but don't let financial reward be your only motivation. Introduce creativity and a playful attitude to the job at hand. And most important; don't let temporary setbacks ruin your ambition. This is a time to reach out, not to suppress.

Romance and relationships continue to be favorable. Social events bring new people. Marilyn, your self-expression and sense of humor improve, and it is easy to make new friends during this time.

Your Personal Month for May 2017 is 4

Marilyn, May is a 4 Personal Month in an 8 Personal Year. It is a time of hard work, progress, and opportunity. As with most of this year, the focus in May is on career and finances. There may well be a great opportunity that comes your way. This opportunity offers all kinds of changes, such as a move of residence (either in June, or in or around November), a change of employer, or a promotion.

The early part of May can be frustrating due to the need to involve yourself with routine affairs and details. You have some catching up to do. You may feel restless and bored. However, later this month brings the opportunity you have been waiting for. You are more organized and manage your time well.

You are dependable and anxious to take care of some long-postponed chores. You may decide to start a remodeling project on your house. Your relationships are more harmonious.

If you are involved in a long-term love relationship, you will find that comfort and security replace some old doubts.

Your Personal Month for June 2017 is 5

Marilyn, June is a 5 Personal Month in an 8 Personal Years. It brings changes and unexpected events. There isn't much use in planning too much this month, because much will happen unexpectedly. This is a hectic and dynamic month. Go with the flow; be flexible; and trust your instinct.

If you are able to adapt to the unpredictable events of this month, your experience will be exciting and adventurous, and quite possibly profitable. However, if you insist stubbornly to stick to your plans and expectations, you will be disappointed.

You are in a position to show your special talents and abilities to people who can be influential in your career.

You are able to think on your feet and your reflexes are sharp. This time is particularly good for those who are in retail, real estate, or some other business that's based on sales and closing deals. Financial gains are often considerable.

Travel is possible and favorable. This is also a good time to move, or change your environment in some way.

Romance is very exciting and, if you are single, you will have to hide out to keep from meeting someone. People gravitate to you and the opposite sex is more than usually attracted to you.

Your Personal Month for July 2017 is 6

Marilyn, July is a 6 Personal Month in an 8 Personal Year. It is an excellent time for business and financial affairs. Respect and recognition for past efforts is followed by financial gain or promotion. You are in a position to ask and receive what you believe to be your due. However, you may find that you are not as diplomatic as you might be. This is your most challenging weakness during this month. Guard against arrogance. Your responsibilities increase possibly as a result of a promotion.

Family affairs, friendships, and romance also move to the foreground and are rewarding and healing. You will be asked to sacrifice some of your time and energy to a younger person or someone who is old or sick. You feel closer to the people around you and you want to be there for them.

Somewhat contradicting to this show of warmth and affection is the lack of tact and sensitivity you may display a number of times during this month. Marilyn, you may be too intent on forcing people to see life as you do, rather than allowing them their own perspectives and their own rates of growth.

The later part of this month brings changes that arise from a chance meeting at a social event. This change may be based on a romantic encounter, and may affect your living situation.

An unexpected travel is also a possibility.

Your Personal Month for August 2017 is 7

Marilyn, August is a 7 Personal Month in an 8 Personal Year. The emphasis changes from outgoing to inward seeking. You are more serious now and self-reflective. You question the wisdom of some of your decisions and choices made during the past ten to twelve months. You keep to yourself, and are generally less social.

You are engrossed in your work and feel a need to do a better job. Your desire for perfectionism is strongly enhanced, which results in self-criticism and impatience with others. At the root of this change in attitude is a spiritual need for

clarity and understanding. You want more security, both internally, as well as in your more worldly roles. Marilyn, you would do well spending some time alone for contemplation and meditation. In this respect, August stands out during this otherwise "material" year.

Family and friends take a backseat during this period. There are strong feelings connected to your relationships with your loved ones, but these are experienced and expressed more subtly.

Romance becomes more serious. You share mental, spiritual, and emotional experiences on the deepest level. There is no room for superficial exchanges. Your relationship with the person you are attracted to intensifies and becomes stronger as a result.

Your Personal Month for September 2017 is 8

Marilyn, September is an 8 Personal Month in an 8 Personal Year for you. This is a month with great potential for your career and finances, especially to increase your finances for the long-term.

It is a time to be aggressive and outspoken. Your authority is needed and you will have to apply yourself one hundred percent. However, there is another side to this month. You may feel that you have reached the pinnacle of your career, or that work and other areas of your life have become dull and monotonous. You may feel you need a break.

You are approaching a time of deep inner change. Several times during your life you have reached a point at which you need to break out of a cocoon. All evolution is gradual, but periodically interrupted by sudden bursts of growth, or change.

Marilyn, you are at a stage in your life when you feel ready for such a change. However, you are not clear about the true nature of this change and, while you may feel inspired to force some practical changes now, you should approach this with care. Avoid impulsive decisions as well as any contractual arrangement that would tie you down for a long time.

You need to rely on your own strength and feel confident that you have a certain amount of control over your own future. You should relax and let things develop at their own pace.

Social events are highly favorable and there will be ample opportunity for that.

Your Personal Month for October 2017 is 9

Marilyn, October is a 9 Personal Month in an 8 Personal Year. It marks the beginning of the end of a certain era in your life.

Now you begin to let go of certain expectations you have long held. There is a feeling of emptiness and of "what now?" The time has not yet come to respond to these feelings in a practical way. Now is the time to begin to become comfortable with the need to change. The changes contemplated involve both personal and professional life.

For these reasons, October could become an emotional time. Some melodrama and role playing is actually a subconscious way for you to test the people around you, and the depth of their commitment. You are also testing your own position towards people, career, environment, spiritual beliefs, and other aspects of your life. You have, even if you are not aware of it, already begun the process of selecting what you want to remain in your life and what you want to discard.

This process, which continues through different stages over the next 2 years, is natural and nothing to be afraid of. You are entering a period of reawakening. This means a letting go of some of the comfort and security that surrounded and protected you for many years.

Start giving some of your energy to a good cause that benefits others. Ultimately, it will benefit you. It takes the spotlight of your doubts and questions, and gives you strength and confidence.

For October, practical matters can be handled with ease. It is much better to pay off debts than to incur new ones. Completion is favored over new starts. It is a time to tie up loose ends, not so much to begin new projects. It is a time to clean up and prepare for new things coming into your life.

Marilyn, you are not in the right mood to pay much attention to romance or personal relationships of any kind, unless it's to test the strength of the relationship.

You may be a little judgmental and self-righteous and will need to guard yourself against this sort of thing.

Your Personal Month for November 2017 is 1

Marilyn, November is a 1 Personal Month in an 8 Personal Year. It brings confidence, independence, and individuality. Now, you are driven to take up new challenges, tackle new projects, and get a firm grip on your life. You have energy to spare and you use this to inspire and motivate others.

You feel that there is nothing you can't deal with. You are ambitious and result-oriented. You receive an opportunity that will have long-ranging effects on your life. You are confident, but also a bit stubborn and hardheaded. You are direct and not as sensitive to other people's feelings as usual.

This is a good time for business and finances. It is a time to be decisive and adventurous, not a time to be conservative. Courage and originality are key

ingredients needed to take full advantage of this cycle. You are more stable and outgoing in your personal life, much to the delight of friends and relatives.

You are also generous and inspiring, but not in the mood to deal with the petty stuff. You are a little impatient.

Romance may prove to be the most challenging aspect of this period. The chances of meeting someone are good, but your approach may be too aggressive and lacking in sensitivity.

If you are married, or otherwise committed, a small warning: not everyone is on the high curve of his/her cycle, so be patient.

Your Personal Month for December 2017 is 2

Marilyn, December is a 2 Personal Month in an 8 Personal Year and shifts the focus to relationships and all affairs of the heart.

Co-workers are demanding, not only in work-related matters, but also in personal areas. You may catch some flack, or become involved in conflicts that don't appear to have anything to do with you. All your tact and diplomacy are needed to maintain harmony in the work place. However, you are better equipped to deal with sensitive affairs than usual and you manage to diffuse most of these potentially explosive affairs.

Pretty much the same experiences await you regarding relationships with relatives and friends, but here too, you are able to keep the peace.

Marilyn, your intuition and sensitivity are your strongest assets during this month.

There is, however, also a need to stand up for yourself. Someone is about to claim credit which rightly belongs to you. Again, diplomacy and tact are required to solve this problem.

This is also a good month for negotiation and financial affairs, particularly concerning loans and mortgages.

Romance can be powerful, but may cause problems when money is involved.

Your Personal Month for January 2018 is 1

Marilyn, January is a 1 Personal Month in a 9 Personal Year. It brings progress as well as some turmoil. Your career offers opportunities that should be taken advantage of, but you may also be wondering if you want to continue on the path you have chosen. A change of course may be taking shape. You may want to focus more on the ideas you had at the beginning of your professional life. Even if you do not have a career, a return to the idealistic views you had at an earlier time cannot be avoided now.

A similar desire for purity and idealism influences your relationships with friends and relatives. You find yourself confronting some of the people close to

you. You may decide that some of your relationships are no longer desirable.

You experience emotional ups and downs, caused by a need for confirmation of your love on one hand, and a tendency to be critical and judgmental on the other. You are aggressive and emotional at times. This combination may shake the foundations of many of your relationships. Undoubtedly, some of these foundations may crack, but others will prove to be strong and remain undamaged.

Financially, this is a time to be extremely careful.

Your Personal Month for February 2018 is 2

Marilyn, February is a 2 Personal Month in a 9 Personal Year. It awakens you to many of the underlying factors that influence your career and personal life. You are highly intuitive; you experience strange and vivid dreams; and you gain insights that border on psychic premonitions. At the same time, you continue to be vulnerable in the emotional area. Any kind of criticism can devastate you. You should avoid confrontations. You are in a position where you can gain considerable understanding of the motivations and desires that influence you, as well as others.

This is an important and valuable time, because you are learning much about the true nature of human beings, including yourself. The challenge here is to see yourself and others in a spiritual light, with love and forgiveness.

Some people who go through this particular cycle experience bitterness and anger. For others, this cycle brings faith and gratitude. For everyone, the impressions are lasting.

Romance is powerful; you see and hear and feel more fully than usual, which brings an added intensity to the experience of love.

Your Personal Month for March 2018 is 3

Marilyn, March is a 3 Personal Month in a 9 Personal Year. It lightens things considerably. You are not nearly as vulnerable as last month. You are more playful. You express yourself easily and you manage to inspire and motivate others.

You receive some positive information about your career and your financial status. Meanwhile, you are considering some big changes in these areas of your life. You may want to keep your thoughts to yourself, or share them only with one or two of your most trusted confidants. You are not ready to make decisions or take steps that are irreversible, but that time will come soon.

This is an exciting time, when everything seems more intense, more alive. You are more creative and communicative.

Marilyn, you should take the time to enjoy yourself. Go on a vacation. Visit friends. Be social. Give yourself a break.

Romance is favorable, but you have to guard against irresponsible and superficial behavior.

Your Personal Month for April 2018 is 4

Marilyn, April is a 4 Personal Month in a 9 Personal Year. It requires hard work, an eye for details, and dependability. Your career is a top priority and requires much of your attention. This is a difficult month with frustrations and a sense of urgency. Perseverance is the key.

There is another feeling that starts moving to the foreground. You feel a little tired, ready to surrender. Your energy level is lower than usual and this makes it harder to keep up with your duties and responsibilities.

However, this is not a good time to slow down. It is a time that can bring opportunity and an unexpected insight into a new direction in life. You are at a point in your life when you feel that you have been stagnant. Change is needed.

This month will bring some practical insight and ideas as to how this change can be accomplished. This is a good time for business ventures and investment. It's also a good time to work on the house and garden.

Romance is understated, but emotional stability is hard to maintain. Don't make many any big changes or decisions in the emotional realm for now.

Your Personal Month for May 2018 is 5

Marilyn, May is a 5 Personal Month in a 9 Personal Year and brings many changes and ideas that start you in a different direction.

You are restless and impatient. Your energy is scattered but you are ready to make a big step forward. A move of residence or a travel will bring inspiration.

You are at an important stage in your life where you feel a bit in limbo, but you also know that a change for the better is imminent. You feel excited and confused at the same time.

You do not really understand what is going on, and the motivations that have guided you for many years now seem outdated. You question your underlying values and desires. You feel a loss of direction. Your best approach is to wait things out. Do not start any new endeavors unless you are very sure you will follow through on them.

Social events are highly favorable. Marilyn, you need to be around people. You need to be loose and enjoy yourself. As I mentioned earlier, you are going through enormous changes this year and next year, and for that reason, interaction with others is therapeutic. It helps you deal with the turbulence that takes place inside.

Your Personal Month for June 2018 is 6

Marilyn, June is a 6 Personal Month in a 9 Personal Year and brings stability, strength, and understanding of yourself and the many roles you play in this life. Some relationships may undergo a test this month. This whole year is a time of letting go of certain people, behaviors, and roles that you have outgrown. June is particularly important in sorting out your feelings for others. Relatives and friends seek your company, but you may respond with aloofness and indifference.

An important challenge this month is to be honest and open in your relationships. You may tend to bottle-up your feelings.

This is a good time for career and finances, even if you feel a lack of interest for these matters. Romantic relationships are particularly fragile right now. However, if your love-relationship survives this period, you know that it is based on true substance. It will be stronger and lasting.
